Operations Center,
CyberSOC Africa)

THEME

The theme of this year's Conference is, "Adapting sustainable Information and Communication Technology (ICT) Tools to; Education, Business, Healthcare and Governance for competitive advantage in the COVID-19 and Post-COVID 19 Era"

CONFERENCE PLENARY SESSIONS

1. Rethinking Education in a Post-COVID Era (A Case Study of Open HPI)
2. A departure from the norm: Embracing Digital Health and Telemedicine for a healthier Society in a Post-COVID Era
3. Rethinking and Repositioning for Economic and Business success in a Post-COVID 19 Economy
4. Leveraging on Artificial Intelligence and Big Data Analytics for Competitive Advantage
5. Changing the narratives in Governance through Technology
6. Data Privacy, Ethical and Legal Consideration in Digital Health
7. Cloud/Digital with a chance of exploit: How to prevent breaches in the Cloud

CALL FOR ABSTRACTS

The Conference programs committee is hereby inviting Academic Scholars, Researchers as well as Government and industry practitioners all over to submit Abstracts of ongoing or completed research works in all areas of Information and Communication Technology. Since this edition of the Conference is interested in solutions that can re-position the Educational, Business,

Healthcare and Government sectors for advantage in the Post COVID era, research works that focus on how ICT can be used in achieving this would be of SPECIAL interest. The Abstracts could be review articles, original research articles, opinion paper as well as theoretical/hypothetical paper that is well rooted and rich in all matters that are related to the theme of the Conference. All accepted abstracts (after review) would be slated for Oral Presentation on the day allotted to Presentation during the Conference Sessions.

ABSTRACT FORMAT

All abstracts must be one paged (400 words maximum) containing the title of the work, Name(s) and address(es) of the author(s), the abstract itself and the short bio of the author(s) (150 Words Maximum). The abstract style must be Times New Roman font 12 with 1.5 line spacing. All abstracts must be sent as Microsoft Word Document mail attachment to; mobileservices@gmail.com or eojustice@gmail.com with the Subject, "9TH ICOMES ABSTRACT".

PUBLICATION OF FULL PAPER

The full articles, after passing the peer-review process, will be published in Special editions of any of the following Institution based Journals:

1. LAUTECH Journal of Engineering and Technology (LAUJET) which is published by the Faculty of Engineering and Technology, LAUTECH, Ogbomoso
2. LAUTECH Journal of Computing and Informatics (LAUJCI) which is published by the Faculty of Computing and Informatics, LAUTECH, Ogbomoso
3. International Journal for the Application of Mobile and Wireless Computing (IJFAMWC) published by the Mobile and e-Computing Research Group in conjunction with the Information and Communication Technology Center both of LAUTECH, Ogbomoso

DEADLINE FOR ABSTRACT SUBMISSION

The deadline for submission of Abstracts is Friday 25th September, 2020. Authors of accepted abstracts would be notified by Friday 2nd October, 2020.

Participants will be eligible to get: Certificates of Attendance/Presentation and all forms of digital materials and resources shared at the Conference.

For all enquiries about the Conference, you can send a WhatsApp Chat or SMS to any of these lines: 08033850075 or 08069019894. You can also send an e-mail to any of these addresses: joemuoyiborarhe@lautech.edu.ng or jaawokola@lautech.edu.ng.

Registration

To register for the Conference, intending participants are to visit the Conference Website www.icomess.lautech.edu.ng to register or use this link <https://bit.ly/2Cw3bwG> and fill the Registration form; after which other necessary registration information would be sent to them before the Conference, once their details are confirmed.
